Summary for the Week of October 6: Class Schedule Project

Status Report:
      Use case diagrams and ERD has been completed. Working on Project Specifications Alpha.

Completed:

- ERD - Binbin (33.33333 (repeating of course) %)
- Use Case - Ramsey (33.33333 (repeating of course) %)
- Beta Design Document - Houser (33.33333 (repeating of course) %)

To-Do:

- Test the server making sure everything is working
- Start work on Project Specifications Alpha

Issues/Comments:

- We have not started work on setting up our server. We'll do that this week.
